§17–501.

- (a) In this subtitle the following words have the meanings indicated.
- (b) “Cholesterol testing” includes collecting a test specimen, testing to detect the amount of cholesterol in an individual’s blood, and the reporting of test results.
- (c) “Permit” means a permit issued by the Secretary to a person who:
  - (1) Offers to provide, with or without charge, a test to detect the amount of cholesterol in an individual’s blood; and
  - (2) Conducts the test outside a permanently located medical laboratory issued a permit or excepted from a permit under Subtitle 2 of this title.
